for Ageing Drug User*

## SHORT ANALYSIS OF THE SERVICES in Luxembourg and Switzerland

---

Fondation Jugend- an Drogenhëllef

# Switzerland

---

## 1. The services:

- Poliklinik Crossline and Liveline
- PERSPEKTIVE Region Solothurn – Grenchen
- Suchthilfe Basel
- Kirchliche Gassenarbeit Luzern
- Premier ligne
- Santé public Vaud

(33 Questionnaire have been sent!)

## 2. Selection of the services with best practices

---

### 1. Policlinic Crossline and Liveline:

- Multidisciplinary Team
- Clear objectives
- Clear methods
- **Proposition:** lower regulated take home dosage of heroin for elderly drug users

### 2. **Gassenarbeit Luzern**

- Has no specific services but some propositions:
  - Elderly drug users should stay longer in hospital
  - Retirement home
  - Better formation of doctors and nurses

# Luxembourg

---
